AI-READY DATA CENTRES

Built for AI. Built for You.

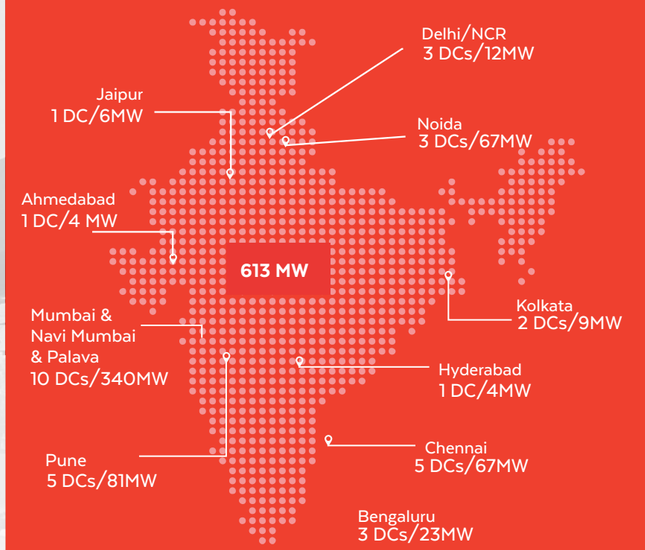
STTelemedia Global Data Centres

STTelemedia Global Data Centres

Global presence, local expertise

- 10 Cities
- ~613MW of IT Load
- 34 Data Centres
- 70% Renewable energy penetration
- ~ 7 Mn. Sq. Ft of Area
- Well-diversified portfolio of customers

Pan-India presence



Salient Features of Our AI-ready Data Centres

- Scalable AI-Ready Data Centres
- High Rack-Density up to 120 KW per rack
- Advanced Cooling Technologies
- GPUaaS partners
- Robust Infrastructure
- Committing to carbon-neutrality by 2030

Global Centre of Excellence

- Leadership in best practices, research, support and training
- Consistent services, workflows, and support to customers globally
- Specific workgroups to cover different aspects of data centre operations
- Documented processes and guidelines
- Improved energy savings through engineering review of systems

Alliances & Initiatives

Whether you are big or small, a system integrator or a network service provider, a traditional channel partner or a new-age cloud company - partnering with us can open doors to convenient, controllable and customer-centric colocation that provides:

- Increased Market Reach
- Access to Ready Workforce
- Tighter Control
- Joint Go-to-Market Strategies

Partner Categories

- GPUaaS partners
- OEM's and technology providers
- Systems Integrator
- Value Added Reseller
- Managed Services Provider
- ISV & SAAS Provider
- Network & Telecom Provider

Operating since 2004

34 Data Centres in India

10 Key Cities

As a leader in offering customer-centric AI-ready data centre colocation solutions, we power and protect mission-critical infrastructure. We are engineered to meet the ever-growing demands of AI workloads and advanced GPUs, including GPUaaS, HPCs, Generative AI, Large language models (LLMs), Neural networks, while maintaining exceptional levels of service and uptime reliability. With a strong presence in areas like secure data centre services and infrastructure management, we have the largest footprint in terms of providing cost effective, reliable and secured solutions. STT GDC India serves a well-diversified customer base, including many Fortune 500 companies.
